

The Basics of Gardening

Discover the science behind gardening, plant culture and pest and disease solutions. The series will focus on research-based knowledge of plant resistance, problem avoidance and the most effective control strategies.

Taught by Virginia Cooperative Extension Master Gardener Volunteers and Staff.

WHEN: Classes are Saturdays, February 11, February 18, February 25, and a snow date of March 11.

WHERE: Class location is Potomac Community Library; 2201 Opitz Blvd., Woodbridge, VA 22191

FEE: Free, but please register so there is an adequate amount of handouts for each participant. Please call 703-792-7747 or email master_gardener@pwcgov.org to register. You may also register online at www.pwcgov.org/grow and go to Horticulture Classes.
